## TWIST Scholarship Program

The Women's Improvement Society of Tuolumne (TWIST) is a non-profit service organization. TWIST is dedicated to community improvement and will work to enhance the lives of others through volunteer service. TWIST is committed to developing and enriching our community through interaction and teamwork. Our goals are to improve and beautify Tuolumne through community service projects, and to provide annual scholarships to local high school students. We love the town we are representing.

TWIST holds an annual tea party as a scholarship fundraiser, with the financial support of local businesses and individuals, our past events have been very successful thanks to the support of businesses like yours.

Our organization has sponsored yearly Annual Community Clean-Up Events, where we have assisted over 100 families with clean-up projects, which included the removal of more than 20 tons of debris. It is important to note that if it weren't for the generosity of businesses our club would not be where it is today.

At our next Annual Tea we will be celebrating another year giving back to our community. The tea party fundraiser will be held in April and as planning begins we are requesting donations to be used in this year's gift baskets. The baskets will be assembled by **April 2, 2020**. We are accepting donations such as monetary gifts, gift certificates, store items which will be used to create baskets, or you may donate an already completed basket from your business. The members of TWIST would like to thank you for anything you can do to contribute to our organization and appreciate all efforts made towards the positive growth of Tuolumne.

Sincerely,

The Women's Improvement Society of Tuolumne
